Career Day

# Career Day CTE Pathway Career Assessment

Powered by MyInnerGenius™

29 February 2024

**Congratulations! You made it through the first step to finding your ideal CTE Pathways. Below you can see the CTE bundle that holds the key to your career success. Within these groups are the pathways listed beneath. The next assessment will help you focus your efforts on the specific pathways to follow.**

This report shows you what your individual career-related interests are as well as a description of the types of careers you prefer. We use this information to help match you to the CTE Pathways that best match your interests and preferences -- pathways you will enjoy doing.

Understanding your career-related interests, preferences, strengths, and capabilities is an important step in finding CTE Pathways that are a great fit for you -- pathways you will enjoy and where you can be successful. This information also gives you valuable information you can communicate to prospective employers who are looking for your strengths and capabilities.

We provide this information to help you make decisions about your career. However, any decision you make regarding your career is entirely up to you.

01:59
Congratulations! You have completed

This report will also give you an opportunity to take another assessment that will narrow down your CTE Pathway search even further. The next assessment will help determine which CTE Pathways are a good match for your unique set of skills, abilities, and personality traits regardless of your education or experience. After you have had a chance to review this page, click on the **START NEXT ASSESSMENT** button below to get started on your next section of the assessment.

Thank you and good luck on your new career journey!

## Personal Interest Profile [redacted]

Your results will be used to determine which of our CTE Pathways are a good match to your unique set of skills, abilities, and personality traits regardless of your education or experience.

When you are ready, you may start the next part of the assessment, by clicking on

START NEXT ASSESSMENT

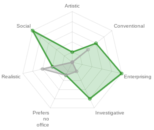
The results of your first assessment indicate that you're suited for the pathways in the Service Career Pathway bundle. You can see below the different CTE pathways that are part of that group.

You were matched to this bundle since your preferences indicated you would enjoy working in professional service jobs that are not necessarily in an office setting. These jobs are a great fit for people who are mostly social with a mixture of investigative, artistic, realistic, and conventional. These jobs require working closely with people, to analyze and help them with their problems, and require working with your hands part of the time.

**What Careers are Part of this Bundle?**

- Education
- Child Development
- Family Services
- Health Science
- Medical Technology
- Hospitality
- Tourism
- Recreation
- Public Services

| | |
|---|---|
| Types of Pathways | The Skilled Pathway Bundle |
| Your Interest Level | Potential ⊟ |



| Interest Type | Individuals with an interest in this area tend to be… |
|---|---|
| Artistic | Be artistic, creative, perceptive |
| Conventional | Be conventional, organized, structured |
| Enterprising | Be enterprising, persuasive, influencing |
| Investigative | Be investigative, data-driven, solution-oriented |
| Prefers no office | Prefer not to work in an office setting |
| Realistic | Be realistic, concrete, practical |
| Social | Be social, friendly, helpful |

Would you like to see which of our CTE Pathways are a good fit for you? The next assessments will narrow down your CTE Pathway search even further. Your results will be used to determine which of our CTE Pathways are a good match to your unique set of skills, abilities, and personality traits regardless of your education or experience.

When you are ready, you may start the next part of the assessment, by clicking on

START NEXT ASSESSMENT

The results of your first assessment indicate that you're suited for the pathways in the Skilled Career Pathway bundle. You can see below the different CTE pathways that are part of that group.

You were matched to this bundle since your preferences indicated you would enjoy working in technical jobs that are not in an office setting. These jobs are a great fit for people who are more realistic, investigative, and conventional. These jobs require analysis, problem-solving, and working with or creating work-related procedures. Your results also indicate that you would prefer to work with your hands and not work in an indoor environment all of the time.

**What Careers are Part of this Bundle?**

- Building Trades
- Construction Trades
- Agriculture
- Natural Resouces
- Energy
- Environment
- Utilities
- Manufacturing
- Product Design
- Transportation

| | |
|---|---|
| Types of Pathways | The Arts Pathway Bundle |

---

The results of your first assessment indicate that you're suited for the pathways in the Arts Career Pathway bundle. You can see below the different CTE pathways that are part of that group.

You were matched to this bundle since your preferences indicated you would enjoy working in artistic jobs that are not in an office setting. These jobs are a great fit for mostly social people combined with artistic, social and investigative interests. These jobs require working closely with and providing design and entertainment to people. These roles require working with your artistic side, investigating or providing solutions most of the time.

**What Careers are Part of this Bundle?**

- Fashion
- Interior Design
- Media specialists
- Entertainment specialists
- Arts-related roles

If you didn't already know, these pathways represent a world of careers for you to consider. After the next assessment, you'll be presented with one or more pathways to explore.

You can click on the pathways on the next results page to find jobs listed, their details, and explanations on how they are best suited to your strengths. You'll also be able to head back to Career Day and take the courses, explore career videos, and look for jobs.

## Ready to See Your Future?

LET'S GO!

After reviewing your results, chose one pathway from the above list you are most interested in and click the **Start Next Assessment** button below the pathway to start the next MyInnerGenius assessment.

If you're ready, let's get started on the next part of your journey!
