

Welcome to your first steps towards a great career!

At Career Day we know that you're capable of doing really amazing things. The key to getting you started on your personal journey is to uncover your hidden skills, define your strengths, and help to build up readiness for finding careers that match who you are right now.

Your journey starts with our Career Day Assessment. This series of questions will help you pinpoint the strengths you might not even know you have. The results will not only connect you to jobs, but will also help to pre-qualify you for what could be the start of an amazing future.

We only ask one thing!

The only person who can make this happen for you is YOU! That means completing **ALL THE STEPS YOU SEE BELOW.**

If you're willing to do what it takes to get yourself hired to the kind of job that isn't just a placeholder, but one that can change your life, **then let's get started!**

Career Day's 7 Steps to Career Success!

- STEP 1:** copy and paste the link into your browser bar to take our Career Day Assessment: <https://app.myinnergenius.com/launch-assessment/249/>.
- STEP 2:** On the assessment home page find the words "Set Up" in the first sentence and click on that link to start the enrollment process. This is the interest part of the assessment
- STEP 3:** Once you're finished with the first part of the assessment, scroll down to the bottom of the page to where you see RESULTS. This will tell you the Career and Technical Education (CTE) Pathway bundles that fit your interests. Clicking on any of the bundles will open to show you what fits !
- STEP 4:** When you're done looking at all of your possibilities, scroll down the page to the words in green that say **START THE NEXT ASSESSMENT**. This is where you will start your skills and abilities assessment. **IT IS REALLY IMPORTANT THAT YOU FINISH BOTH PARTS OF THE ASSESSMENT!**
- STEP 5:** By completing both parts of the Career Day Assessment you will become pre-qualified for any of the jobs in your pathway that we are currently filling.
- STEP 6:** If you are not 18, please complete [Not Yet 18 form](#) with your name and birthdate. We will add you to our list of qualified candidates and will contact you with opportunities that fit your profile once you turn 18.
- STEP 7:** Please make sure that you complete our [personal intake form](#). That way we can make sure that we get you going in the right direction!

Don't Miss Out!

**If you don't complete any of these steps then
you won't get another chance.**

Don't get left out of what could be a life changing opportunity for the kind of job that pays well, with benefits, and has a path for advancement.

Let's work together to get you going!
